

"Podcasting has been a great source of traffic and has really helped solidify us in the industry."

– Josh Factor, CEO VerticaCRM

Podcasting has become one of the fastest growing mediums to help brokers leverage their knowledge to grow an audience, showcase their expertise and close more deals.

Why Podcasting?

This is the what you will gain

5+ pieces of content created for you each month

Access to a new audience of potential sellers

An ability to share your knowledge and expertise with the world
